Description: A real, no-holds-barred take on making smart, healthy choices for you and your family.In Green Enough, Mamavation blogger Leah Segedie uncovers the truth behind the food and household products that are misleadingly labeled all-natural and healthy but are actually filled with chemicals and toxins. From furniture to packaged food, Leah guides you through...

Review: If I could give 10 stars for this book, I would!Leah presents so much great scientifically based information which the general public needs to know. However, she isnt pushy about telling anyone exactly what they HAVE to do to live a greener lifestyle. Rather, there are plenty of recommendations on how to clean up what is in your house whether it is...
